HB 5537

March 12, 2014

Dear CT PHC Testimony,

Dear Senator Gerratana, Representative Johnson, and esteemed members of the Public Health Committee:

I write to ask you to strongly support and vote in the affirmative to add bill language for the modernization of the CT Naturopathic physician scope of practice to HB 5537. The language needs to be attached to this bill so it can come before the Public Health Committee for consideration. This Naturopathic scope of practice law is 90 years old and has not kept pace with the significant advances in education and training of Naturopathic doctors in the ensuing decades.

I could never imagine life without seeing Dr. Myriah Hinchey in Hebron Ct...She has a never ending plethora of health information and ways to bring people back to health that traditional MDs have absolutely no knowledge of. Dr. Myriah helped my Autistic son immensely and myself and my husband...PLEASE VOTE FOR HB5537.....PLEASE VOTE FOR THIS...YOU ARE THE VOICE OF THE CITIZENS !!!!! WE NEED NATUROPATHS TO BE ABLE TO OFFER EVERYTHING POSSIBLE AND IT SHOULD BE PAID FOR BY INSURANCE COMPANIES

Thank you for your support and consideration.

Sincerely,  
Alan & Cynthia Campisi Jackmauh
